

AMENDMENTS TO THE CLAIMS:

Please amend the claims as follows:

1. (Currently Amended) A compound of formula (I):

or a salt, [[solvate]]hydrate or chemically protected form thereof, wherein:

either

R^2 is H or an optionally substituted C_{1-4} alkyl group and R^5 is an optionally substituted C_{5-7} aryl; or

R^5 is H or an optionally substituted C_{1-4} alkyl group and R^2 is an optionally substituted C_{5-7} aryl; m and n can be 0 or 1, and $m + n = 1$ or 2

R^N is H or optionally substituted C_{1-4} alkyl

R^3 is either:

carboxy or tetrazole-5-yl

with the proviso that the compound in which R^3 is carboxy, n is 0, m is 1, R^N is H, R^2 is methyl and R^5 is phenyl is excluded.

2. (Previously Presented) A compound according to claim 1, wherein R^5 is an optionally substituted C_{5-7} aryl group and R^2 is H or the optionally substituted C_{1-4} alkyl group.

3. (Original) A compound according to claim 2, wherein R^2 is selected from H or an optionally substituted C_{1-3} alkyl group.

4. (Original) A compound according to claim 3, wherein R^2 is a methyl group.

5. (Previously Presented) A compound according to claim 2, wherein R^5 is a C_6 aryl group.

6. (Previously Presented) A compound according to claim 5, wherein R^5 is phenyl.

7. (Previously Presented) A compound according to claim 1 wherein the C_{5-7} aryl group of R^2 and R^5 is substituted by substituents selected from C_{1-7} alkoxy groups.

Claim 8. (Canceled)

Claim 9. (Canceled)

Claim 10. (Canceled)

11. (Previously Presented) A compound according to claim 1, wherein $n + m = 1$.

12. (Original) A compound according to claim 11, wherein n is 0 and m is 1.

13. (Previously Presented) A compound according to claim 1, wherein R^N is H or methyl.

14. (Previously Presented) A method of treating a primary headache disorder comprising administering to a patient in need of treatment an effective amount of a compound according to claim 1 or a pharmaceutically acceptable salt thereof .

15. (Previously Presented) A pharmaceutical composition comprising a compound according to claim 1 or a pharmaceutically acceptable salt thereof together with a pharmaceutically acceptable carrier or diluent.

Claim 16. (Canceled)

Claim 17. (Canceled)

18. (Previously Presented) The method according to claim 14 wherein the primary headache disorder is a migraine.
